6 3/16	10	9 3/16	6
6 3/8	11	9 1/2	7
6 13/16	12	9 7/8	8
7 3/16	13	10 3/16	9
7 1/2	1	10 1/2	10
7 7/8	2	10 7/8	11
8 3/16	3	11 3/16	12
8 1/2	4	11 1/2	13

## How To Measure For Riedell Ice Skates

To measure the length of your foot, place a tape measure on a flat surface up against a wall. Stand on the tape measure with your heel against the wall. If you use a ruler, take into consideration that most rulers have a gap where there are no measurements. Look down and take the measurement from your longest toe. If the foot measurement falls in between two lengths, choose the larger skate size.
