

CARRY IN – CARRY OUT

At its regular meeting on May 8, 2017, the Board of Selectmen approved the recommendation of the Culture, Parks and Recreation Commission to transition to a “Carry In – Carry Out” policy for trash removal for town owned parks, fields and other properties effective July 1, 2017.

This new policy will require park and field users to take responsibility removing any trash that they generate on public property. Facilities operating food concessions will be exempt from this policy.

This program has been used successfully on a trial basis in some of our smaller parks and is consistent with the Town’s commitment to conservation and sustainability. The Town’s parks will display signage indicating the new policy.

CARRY IN - CARRY OUT

**TRASH CONTAINERS HAVE
BEEN REMOVED FROM THIS
PARK. PLEASE KEEP YOUR
PARK CLEAN AND DO NOT
LEAVE ANY TRASH BEHIND**
